## 2017 - a productive year!

Please join us in thanking the Lord for the great privilege of serving His kingdom in this past year 2017! On all accounts it has been a fruitful year. Our **“Pacto de Gracia” congregation** has grown in numbers, as well as in service. This year we formally initiated a new church plant in San Carlos, a city three hours to the north of San José. We also added two more elders to our consistory - Marvin Brenes and Daniel Lobo - two godly men who are a tremendous asset to our ministry!

## CECRE (Tepeyac Christian School)

As most of you know, “CECRE” is the acronym for our school in Spanish. As we finish up the year, we are experiencing an

avalanche of parents wishing to enroll their children for next year. We may have near-record attendance next year. Please pray for some teacher replacements that we will make.

## CLIR

Translation, printing and distribution continued this year at an equal or greater pace than last year, which set records for us! Our CLIR team at the print shop is a finely tuned “machine” - each person with his / her own specialties, but able to help out with all aspects when necessary. **Thank you to all who have stood by us this year in prayer and giving!** God is using CLIR's resources - both printed and digital - to proclaim the Gospel of Christ!
