Puerto Rico conference on Sola Scriptura a great blessing and well attended!

The three conference speakers

Thank you for prayer!
God answered abundantly

CLIR books available at the conference. I wrote a short book for the conference on the topic of "Sola Scriptura". CLIR printed it in one day!

The conferences were Friday and Saturday, and Sunday was a special service of new members, baptism and the ordination of an elder! I was privileged to preach the Word.

Praise and Prayer items and Financial needs

- ▶ Thank you for prayer on behalf of the **conference in Puerto Rico**. We had between 50 and 70 attendees every day.
- ▶ Thank you for **prayers and donations** made toward the Ministry Center. It is coming along fantastically!
- ▶ CLIR is seeking some **\$20,000 above our regular budget** for the 500th anniversary celebration planned for October, 2017.

Please consider this need. We will fly in key speakers for the event, as well as many others who wish to attend, possibly from

countries like Cuba and Bolivia where there is a special need.

- ▶ CLIR has some **20 books** programmed for printing this year. Among them are the **Calvin commentary series on the OT**.

But we are also printing a **2 part SPECIAL EDITION of our Journal**, and would like to offer it either **free or for a very small fee**. Please consider this aspect of CLIR's ministry, and your generous donation will go a long way!

Everyone should have their own printing press at home! My conference turned into a 50 page booklet, so the CLIR presses printed 100 copies in 1 day! They were useful in Puerto Rico.

All your donations are **tax deductible**, and can be set via Paypal, or to:
