Thanksgiving!

(Apologies for the length of this letter - too much news!)

Costa Rica doesn't have an official "Thanksgiving Day", but many know of the history of this day in North America, and many celebrate it. This year various parents have organized a Thanksgiving Dinner the end of November, with the proceeds going for our Tuition Assistance Fund. The goal is for 100 people to come. The children in the photo are our Sunday School kids presenting their Bible verse in church. Most of these kids are in our CECRE Christian School. We are THANKFUL for the amount of families with children in our church! This is becoming a rarity in Costa Rica!

Our Reformed community continues to support our "Revolutionary Moms" - we now have FOUR ladies in our church pregnant. Babies will be born in November and December. We call them "revolutionary" because women in Costa Rica don't want to have kids anymore. Thank the Lord with us for these families, and for our churches and school which have the privilege of serving in the formation of future Christian soldiers!

New gymnasium!

The CECRE community is overjoyed to announce that our new gymnasium has been completed in record time. We are deeply thankful to all who have given funds for this cause. The builder is a member of our church, and went far beyond the extra mile in donating many more features that hadn't been budgeted! Please thank the Lord with us for this new asset for our high school. We have already put it to good use during our Reformation Week in holding a celebration for over 160 people. Praise, praise, praise!

Reformation Week - huge event!

Every year our whole Reformed community celebrates the Reformation with many events. The school studied William Tyndale's life and work. And for the " Grace and Truth" conference on the 31st, we had the visit of Rev. Barry Beukema and his wife Valerie. CLIR set up a "museum" of the Reformation with information banners, a "Reformation cafeteria" complete with the visit of some Reformers! Lots of books were sold at a discount. We had a wonderful time! Enjoy the photos!

A sincere "Thank you!" to all the Costa Rican supporters

As we head towards the end of the year, words are insufficient to express our gratitud for all God's "team" that is behind the Costa Rican and Latin American work. We want you to know that the Lord is granting fruit upon your giving and your prayers. Please give thanks during this Thanksgiving time! May God bless each one!

For Deacons

The Costa Rica ministry has a few different facets, and you can contact us for more details if so desired. Two of our main budget needs are for **CLIR** (conferences, translation and printing) and the **Christian School Tuition Fund** (presently serving 33 families with assistance). We are thankful for the generosity of God's people last year! The Costa Rica mission has always been a joint effort of many. May God bless each one!
